

# Finding ways to strengthen your local community

is sometimes like

navigating a maze...

*But from start to finish, your sponsorship of Leadership Worthington offers **Benefits You Want and Flexibility You Need to Meet Your Community Relations & Philanthropic Goals***

## Your Investment in Leaders Benefits the Community

### About Leadership Worthington: Your Local Leadership Program

- **Our Mission** -- Leadership Worthington's mission is to enhance the understanding of leadership qualities and develop individual and group leadership potential. This contributes to a better Worthington area community.
- **A Premier Leadership Development Organization** -- Now in its 2<sup>nd</sup> decade, Leadership Worthington's adult program is life-changing for its participants, by shifting people's belief systems about self, others and life. It nurtures leadership skills in a discovery process that are sustainable. The youth program provides unique opportunities not otherwise taught in the school classroom, nurturing life-long leadership skills. Students are guided into community leadership roles.
- **Invaluable Talent Pool for Community** -- Leadership Worthington's programs create an invaluable pool of talented individuals able to lead in community service or employment within businesses, non-profits, government, and schools. More than 700 adults & youth developed leadership skills while learning about the virtues and needs of the Worthington community.
- **Community Service** -- Nearly 100 community projects, designed by class participants, contributed to the betterment of this community, and some are still thriving today. Talented and committed individuals are leading in their community, home, and in their workplace.
